SINGLE TRIPS

Have you booked a single trip from Ravenglass to Dalegarth (or vice versa)? If so, take a look below!

THE ESKDALE TRAIL - 4 HOURS

This 8 mile walk takes in the stunning views of the Eskdale Valley as you walk parallel to our train line. This route is rough underfoot so we would not recommend it for prams or wheelchairs. It is quite an undulating walk that goes over Muncaster Fell with a medium difficulty level so please bear this in mind before planning this route.

If you are taking on this walk please ensure that you are fully prepared. Take some food - a picnic box from either Turntable or Fellbites Café is a great idea! Make sure that you have plenty of water, some suncream and waterproofs as you never know what the weather will be like in the Lake District! We advise that you also take a map with you as mobile phone signal is very limited in the Valley.
