

FOOTPLATE TASTER & FULL DAY COURSE.

TERMS AND CONDITIONS.

Due to the confined environment inside the cab of our steam locomotives it is necessary to take the physical build of participants into consideration. The cab is narrow with limited leg and head room. The cab is low to the ground making it difficult for those with limited mobility.

It may be necessary to decline the acceptance of a participant on the day of the course if the information given at our course induction raises any physical or safety concerns. This applies to the use of drugs (including some prescription drugs) and alcohol.

To ensure the safety of our staff and participants we will be asking about the general health and mobility of the participant.

Should you have any concerns or questions in this regard, please speak to a member of staff at the time of booking.

Full day courses include lighting up in the shed. Participants with limited hearing or sight will need to be accompanied by a companion.
